Don't cry.
I'm here.
I'll be with you
no matter what.

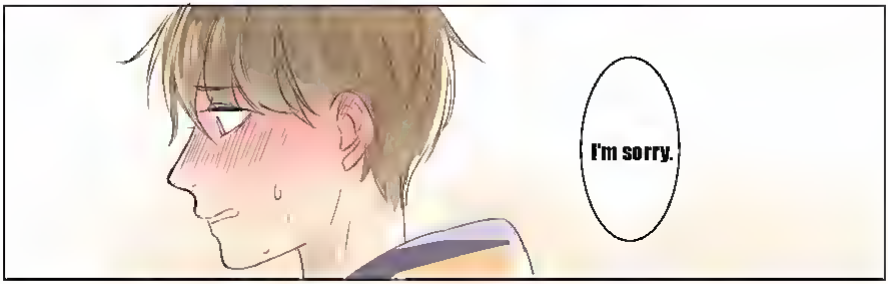
I can hug you if you fall.
Don't touch me.

CHILD MOLESTATION
Look at you— I'm fairy proud of being your teacher, y'know.
The skirt fits you better

I'm a dirty person now.
I must leave you, before you do.
You will find it out sooner or later.

I can't help myself!
What do you want?!

Every time, you pretend to be rude.

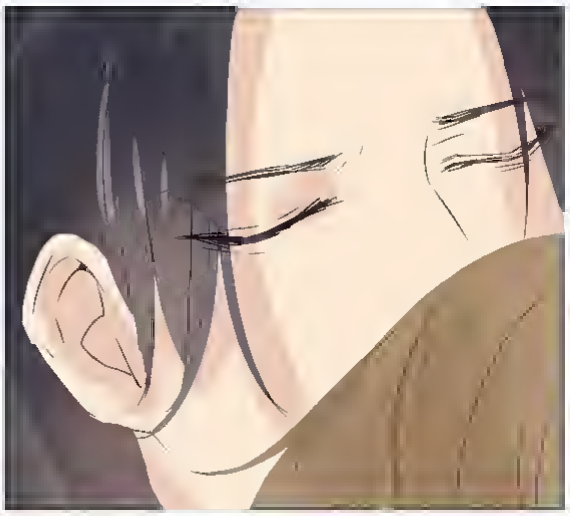


I'm sorry.

But you grab me firmly instead in the end.

My naughty foxy boy

I can feel the warmth.



You gotta know I'm always by your side.
